

To promote public health and adhere to CDC and Montgomery County guidelines for religious gatherings, we ask that you cooperate with the following safety protocol:

- If you or someone in your household has had a fever of 100.4 or more during the week before the worship service, please stay home and join us on our live stream. For other symptoms of COVID-19, visit <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>
- If you are at high risk for COVID-19, we encourage you to stay home and join us on our live stream. To find out if you need to take extra precautions, please visit <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/index.html>
- Those attending worship services must sign up ahead of time on our website (atonementlife.org). If you have questions, you may call the church office at (301) 649-4131.
- Please sanitize your hands as you enter the building.
- Please maintain 6 feet of distance between people at all times. Members of the same household may be closer than 6 feet.
- Please always wear a face covering while you are inside the building. Children 2 and under do not need to wear face coverings.
- If you are experiencing COVID-like symptoms or are diagnosed with COVID-19, please let us know at health@atonementlife.org.
- Bathroom usage is limited to 2 people at a time. Please leave 6 feet of distance in line for the bathrooms.

If, for whatever reason, you are unable to meet these guidelines, we hope that you will join us on [our live stream](#). We look forward to the day when we can meet face to face without all of these precautions.

Thank you for your understanding and support!
