Volunteer Job Assignment: Team Photographer – Play Where the Pros Play Hole

Time: 9:00 am – 3:00 pm

Location: Hole 7

Duties:

- Please check in at 9 am and be ready to photograph your first team before they arrive – first team tees off at 8 am, so will arrive approximately 9:45 am.
- You will be provided a player/team list.
- Please take a minimum of 2 photos of each team. Encourage one shot to be a “fun” shot.
 - Examples of fun shots could be:
 - Pretend you just won the world cup – YAY!
 - Interesting poses with the clubs
 - Funny faces
 - Anything that the golfers personality dictates and wants to do. It is their picture!
- All shots will be shown to all golfers unless otherwise indicated.
- Hole 7 is also the PLAY WHERE THE PROS PLAY HOLE.
 - Golfers who have purchased games as indicated by their blue Starkey wristband can move their ball across the lake without having to tee off. They made a tee shot like a pro!
 - Those without a wristband play like usual.
- Please notify Volunteer Support Brenda McKenney @ 706-0217 or Eileen @ 253-7607 if you need a break for the restroom, etc. Restrooms are located in the Clubhouse, between holes #6 & #7, and between holes #13 & #14.
- Please do not leave your station unattended! Please make sure that there is at least one person available for photos by taking turns with breaks or by calling for a floater from Volunteer Support.
- Lunch will be brought to you.
- When the last team has come through, take tent down and collapse table (if applicable), collect signage, and pack remaining supplies in container (if any) to be returned to the Clubhouse. Please return these items to Volunteer Support.
- Deliver digital photos when complete to Eileen. A Google Drive folder will be shared.
- When you finish your assignment, please check out with Volunteer Support, document the time you left, and drop off your name badge. Thank you!
