## **INFORMATION FOR ALL VOLUNTEERS**

### **Arrival:**

- Please arrive at or before your assigned check-in time. Make sure to allow plenty of time to park, check in, eat, get your supplies, and be in place to begin your shift

### **What to wear:**

- Please wear your Starkey Volunteer polo.
- Pants or shorts (NO DENIM) – khaki, black, white, etc. **shorts no more than 4 inches above the knee.**
- Comfortable shoes, sunglasses, and a hat: you will be outside and on your feet most of the day.

### **What to bring**

- Don't forget sunscreen and bug spray!
- A chair (if you have a hole sitting assignment, Hole in One, Putting Contest, etc.).
- For safety and security reasons, volunteers should not have personal items with them. If you have a purse or backpack, please leave it in your vehicle or at home. There is no secure location on property to store it and Starkey is not liable for any lost or stolen items.

### **Breaks**

- If you need to use the restroom, take a short break, or have lunch, please make sure that your assignment is covered by either your volunteer partner, floater, or volunteer support. Restrooms are located in the Clubhouse, between holes #6 & #7, and between holes #13 & #14. Please take a break when it will not disrupt activity.
- A box lunch will be available. If you have a hole assignment over lunch time, a lunch will be brought to you.

### **Golf Etiquette**

- While many of us are quite familiar with golf etiquette, it doesn't hurt to have a quick refresher!
- Please have your cell phone on but the volume on silent or vibrate only. Golf etiquette means no loud noises out on the course! No music or playing games/watching videos/etc. If you receive a call while on the course, please keep it short and brief. Same with texting/tweeting/snap-chatting!
- If you are working a hole, please keep still and keep quiet! Movement, talking, fussing with equipment, and/or looking around is completely unacceptable when a golfer is addressing the ball. If you are in a cart, stop! Stand still and watch the shot! Don't stand in the golfer's line of shot or putt. Get completely out of the way. Yes, this is a fun day out on the golf course for Starkey, but our players take their game very seriously and we want to respect that.
