1 dc in 60 dc. Total 60 dc in round

Continue until hat is long enough to cover ears (you can add 3-5 extra rows and turn bottom of hat up to wear)

Knit Hat

Round 1: Cast on 56 stitches using a long tail or knitted cast on. Then, being careful not to twist the stitches, join to work in the round. Mark the beginning of the round with a stitch mark

Round 2: *Knit 1, purl 1* around.

Rounds 3-33: Continue working in K1P1 ribbing until the hat is about 10 inches tall and only 2-3 feet of yarn remain from the skein. You don't really need to measure this; just continue working and stop when you only have enough yarn for 2 or three more rounds.

Round 34-35: *K1, P3tog* around for 2 rounds. Then, thread the end of the yarn through a jumbo tapestry needle and pull it through the remaining stitches. Pull to close the top of the beanie and fasten off the yarn. Weave in the tail and trim any excess yarn.
