

Volunteer Parking

Volunteer Parking is located Mercy College, at 2202 Jefferson Avenue Toledo, OH (between 21st/23rd Streets). See map below.

There will be a complementary shuttle transporting volunteers from the lot to the event footprint. On the event side the shuttle will drop off at the transportation depot near Gate 2. Once off the shuttle please go to the volunteer check-in at Gate 2, located Summit St. and Monroe. Upon check-in you will receive directions toward your volunteer location. Please keep in mind you will need to report to your concession tent at your scheduled time. Please be mindful of travel times with added traffic in the downtown area, parking, shuttle travel time to the footprint, as well as check-in time and travel within the footprint toward your assigned location. It is always a good idea to arrive at least 45 minutes early to become familiar the footprint.
