

Jesus Heals Ten with Leprosy

LUKE 17:11-19

This week's theme is **INCLUDED**. A group of ten people with leprosy asked Jesus for help so they could live with their families again. Jesus noticed, included, and healed these outsiders because everyone matters.

Everyone Is Included
 Play musical chairs in reverse. Walk around a table adding the words to each chair: "Good morning," "Good afternoon," "Good evening," "Good night." When everyone is seated, shout the time! "Good morning!" "Good afternoon!" "Good evening!" "Good night!"

All Kids Can Play
 Watch online videos about playgrounds designed for children with special needs. If there is one nearby, visit to see what it is like. Or write a letter to the mayor of your town to explain why your community needs this kind of playground.

Brighten Someone's Day
 Fold sheets of tissue paper like fans and wrap with chenille stems. Separate the layers and fluff. Place your flowers in a decorated clear plastic bottle to make a bouquet. Deliver it to a church member or neighborhood friend who is sick.

This week our family is praying for ...

Who Am I?
 Write "I'm a beloved child of God" on sticky notes. Put one on each mirror in your home. Say the phrase aloud whenever you look into one of the mirrors.

Thank You, God
 Write each letter of the word THANKS on a slip of paper and put them in a bowl. Choose one letter at a time. Work together to list things you are thankful for that begin with that letter. Continue until all letters are used.

Awesome Athletes
 The Special Olympics were started in 1968 to provide children and adults with disabilities the chance to play different sports. Learn more about them online. Find out how to get involved in your state's program.

God Loves You
 Bake and decorate heart-shaped cookies together. Put them in plastic bags with a personal note attached to each one to tell those who receive the cookies that they are loved by God. Share them with neighbors or others who might like a reminder of God's love.
