

Downtown Walnut Creek Entertainment Guidelines

Please review the following guidelines that all performers must abide by while involved in live performances in downtown Walnut Creek:

- ✓ If performers are feeling sick or have come into close contact with someone diagnosed with COVID-19, please stay at home.
- ✓ Performers must maintain 6' distance from each other & 12' from the public utilizing temporary (tape on the ground, stations, planters, etc.) barriers, or delineations.
- ✓ Performers must wear face masks at all times. Vocalists must maintain at least 12' from fellow performers & onlookers.
- ✓ Hand washing/hand sanitizing solutions must be used before, during and after performances.
- ✓ Performers are encouraged to post a nearby sign sharing Venmo account for tips vs. receiving cash tips.
- ✓ Ambient entertainment preferred, preventing guests from raising their voice to speak over the music.
- ✓ Outdoor amplified sound is permitted by [city code](#) between the hours of 8 a.m. and 9 p.m. only; not to exceed 50 feet from music source.
- ✓ A temporary pop-up permit does not override the City of Walnut Creek Noise Ordinance.
- ✓ Ensure that sound equipment noise level is not so loud as to disturb nearby residents and does not violate the City of Walnut Creek Noise Ordinance.
- ✓ If any complaints (noise or otherwise) are received, the Walnut Creek Police Department and/or the City's Code Enforcement Officers will contact the performer to request that they turn the music down or completely off, regardless of the time.
