To our local community-minded businesses:

HST is a 501(c)(3) non-profit (tax number 52-2271633) which boasts a broad array of programming, including acting, dance, vocal, tech, and make-up classes for students in grades 4-12. We also offer two choirs (A Cappella and Broadway), a theatricals program and two middle and high school troupes. In the spring our Theatricals group hosts an interactive improv performance at our Coffeehouse. These events are followed by five fully staged productions! In total, our 13 performances have an audience capacity of thousands of community patrons.

As our thanks for your support, we list all business donors in our program so that our participants and patrons can recognize your commitment to youth development and the arts in your community.

HST operates on a shoestring budget, so we use creative production methods to keep costs to a minimum. Funds raised are used to cover the cost of costumes, props, and sets. While the current health crisis has changed HST's day-to-day operations, it has not changed our mission to train students to excel in the performing arts. We have developed a framework for our students to rehearse and perform safely and believe that access to quality arts education is a critical piece to helping young people navigate the challenges we are all facing. We hope you will choose to partner with us!

We are currently soliciting tax-deductible donations for our fall fundraiser, a variety show and silent auction, to be held on Saturday, **November 13, 2021**. This event will take place online if dictated by current laws and local restrictions. **We are seeking gift certificates, store items, memberships, tickets, free coupons, etc.** No item is too large or too small! We can use, and are grateful for, anything that is donated. This letter will serve as your receipt of donation when completed and signed by an HST soliciting student or parent.
