

Registration

Registration will be required for children's programming through the fall and winter.

Please register through the library's Sign Up Genius page.

You can find this link at piedmontlibrary.org. If you have any questions or need help with registering call (405)373-9018 or email Ms. Liv and info@piedmontlibrary.org.

Email List

Would you like to receive an email update with registration links? Contact the library to be added to the email list for children's programming. As soon as Sign-Up Genius registration is released an email will be sent to you with registration links and updates on pop-up events.

Health and Safety Response

Piedmont Public Library is dedicated to maintaining a clean and safe environment. Currently we do not require masks. We ask our patrons to maintain a respectful distance from other patrons and library staff. Covid response rules may change depending on CDC guidelines. Consult our library staff, social media, or our website for up to date information.

Children's Programming

Look for the children's event calendar on Facebook or at www.PiedmontLibrary.org

Story Time

Family Friendly

Story Time is for families to enjoy together.

During story time children are exposed to story telling using various engaging methods like picture book readings, puppet stories, music, and felt board stories.

Tot Time

Age 2-3

Tot Time is a story time for our preschool crowd. Ms. Liv will do a read aloud of two children's books. Wiggle exercises, felt stories, rhymes, and puppets are also incorporated. These are engaging activities that promote early literacy skill building.

Learning through Play

Play is an important part of learning in early childhood so an informal play time is offered after Tot Time and Baby Time. Toys, books, and activities will be provided so children may enjoy social time together.

Arts and Crafts

An art activity or craft will be available after story time. Craft time has many benefits in early childhood including building fine motor skills, strengthening muscles, improving bilateral coordination, and following step-by-step directions

Pop Up Events

There will be several exciting events this fall that will include arts, crafts, and sensory opportunities for children. Information will be released on piedmontlibrary.org, Facebook, and Instagram.

Baby Time

Age Birth-2

During baby time the focus is on babies and caregivers. We will use finger plays, lap bounces, rhymes, books, songs, tickles and instruments to foster speech development, motor coordination, and self-confidence.

Music and Movement

Ages 2-5

Facilitated by Ms. Alyssa with Kindermusic, each class welcomes children into a playful nurturing environment where your child will experience music of varying styles, genres, and cultures. Plus they will be able to engage in movement, rhythm, and vocal activities.
